# Kissner Salts & Chemicals LANDSCAPER'S CHOICE ICE MELTER

| SECTION 1: PRODUCT INFORMATION         |  |  |
|--|--|--|
| T.D.G. Classification                  | Not regulated  |  |
| UN Number                              | Not applicable   |  |
| Packing Group                          |  |  |
| Product Name                           | Landscapers Choice Ice Melter                          |  |
| WHIMIS Classification                  |  |  |
| Chemical Formula                       | Not applicable   |  |
| Chemical Family                        |  |  |
| Product Use                            | lce melting  |  |
| CAS #                                  | Not applicable   |  |
| Supplier                               | Kissner Salts & Chemicals                              |  |
|  |  |  |
|  |  |  |
| Available Packaging                    |  |  |
| Prepared by                            | J. Browes  |  |
| SECTION 2: HAZARDOUS INGREDIENTS       |  |  |
|  |  |  |
| Percentage                             |  |  |
| LD/50, Route, Specie                   | Not applicable   |  |
| LC/50, Route, Specie                   | Not applicable   |  |
| SECTION 3: PHYSICAL DATA               |  |  |
| Physical State                         |  |  |
| Appearance & Odour                     | Green crystalline solid                                |  |
| Vapour Pressure (mm Hg at 20°C)        | Not applicable   |  |
| Vapour Density (Air = 1.0)             |  |  |
| Bulk Density                           | ·  |  |
| Solubility in Water                    | Water Soluble  |  |
| Specific Gravity (gm/cc, Water = 1.0)  | Not applicable   |  |
| % Volatile by Volume                   | Non volatile   |  |
| Boiling Range (Deg. Celsius)           |  |  |
| Melting/Freezing Point (Deg. Celsius)  |  |  |
| Coefficient of Water/Oil Distribution  |  |  |
| pH                                     |  |  |
| SECTION 4: FIRE AND EXPLOSION DATA     |  |  |
| Flash Point                            |  |  |
| Autoignition Temperature (Deg Celsius) | Not auto-ignitable                                     |  |
|  | Product is non-flammable. Not considered a fire hazard |  |
| Flammability Limits in Air (%) UEL     |  |  |
| Fire Extinguishing Media               |  |  |
| Fire Fighting Procedures               |  |  |
| Other Fire or Explosion Hazards        | ··   |  |
| Sensitivity to Mechanical Impact       |  |  |
| Rate of Burning                        |  |  |
| Explosive Power                        |  |  |
| Sensitivity to Static Discharge.       |  |  |
| Hazardous Combustion products          |  |  |
| SECTION 5: REACTIVITY DATA             |  |  |
| Chemical Stability                     | Otable and decreased and 195 and                       |  |
| Under Normal Conditions                |  |  |
| Under Fire Conditions                  |  |  |
| Hazardous Polymerization               |  |  |
| Conditions to Avoid                    |  |  |
| Materials to Avoid                     |  |  |
| Hazardous Decomposition                | nyurogen Chionae                                       |  |

## **SECTION 6: TOXICOLOGICAL PROPERTIES**

Skin: contact with abreaded skin may cause mild irritation or rash Inhalation of dust: may cause nose, throat and respiratory tract

# Kissner Salts & Chemicals M.S.D.S. LANDSCAPER'S CHOICE ICE MELTER

| Effects of chronic exposure to product | irritation and coughing Not known at this time |
|--|--|
| Exposure limits                        |  |
| Irritancy of product                   | None hazardous by WHIMIS criteria              |
| Sensitization of product               | Not available                                  |
| Carcinogenicity of product             | None hazardous by WHIMIS criteria              |
| Reproductive toxicity                  | Not available                                  |
| Teratogenicity                         | Not available                                  |
| Mutagenicity                           | Insufficient data available                    |
| Synergistic effects                    | Not available                                  |

| SECTION 7: PREVENTIVE MEASURES                  |   |
|---|---|
| Specific Engineering controls required          | Local exhaust for dust  |
| Procedures to be followed in case of spill/leak | Small spills: May be flushed away with water or sweep up.                 |
|   | Large spills: Sweep or scoop up for reuse or disposal.                    |
| Waste Disposal                                  |   |
|   | Large spills: Should be disposed of in landfill according to regulations. |
| Protective Equipment to be used                 | While this product is considered non-hazardous, good industrial           |
|   | practice suggests the use of proper eye protection and the use of         |
|   | gloves.   |
| Storage Needs                                   |   |
| Handling procedures and equipment               |   |
| Special shipping information                    | Not applicable  |

#### **SECTION 8: FIRST AID MEASURES**

EYE CONTACT: .......Flush eyes with flowing water. If irritation or redness are severe or persist, consult physician.

SKIN CONTACT ......Flush skin with running water.

INGESTION ......Drink liquids to dilute and consult physician.

INHALATION ......Move victim to fresh air

### SECTION 9: PREPARATION INFORMATION

The information is, to the best of our knowledge and belief, accurate and reliable as of the date compiled. However, no representation, warranty or guarantee is made to its accuracy, reliability or completeness. It is the user's responsibility to review this information, satisfy themselves as to its suitability and completeness and pass on the information to its employees or customers. Kissner Salt & Chemicals does not accept responsibility for any loss or damage, which may occur from the use of this information.
